Give it room

Keep clear space around the logo equal to the height of the "S" in Salt.

Keep it legible

At least 1.75 in wide in print and 320 px on screen, so "DENTISTRY" stays readable. Smaller than that, use the icon.

Don't alter it

No stretching, recoloring, outlines, shadows, or older low-resolution logo files.

VOICE

- **Warm and family-first.** Talk like a neighbor in the south valley, not a brochure.
- **Short sentences.** One idea at a time.
- **Practical.** Lead with what patients ask: cost, insurance, which office, how soon.
- **Every offer shows its value.** The $99 new patient visit always says what's included.
- **Honest always.** Real reviews only, word for word. No before/after photos or patient faces without consent.
